

Template Evidence for the recognition of the R-Module

Dear Madam or Sir,

We hereby confirm that our plant "**NAME, CSC-R-Certification Number**" is a CSC-R certified concrete plant and that we have supplied concrete with R-Material from this plant for the construction project "**PROJECT NAME**" in accordance with the attached delivery slip(s) listing. The content of R-Material is "**CONTENT**". We have also attached the respective CSC-R certificate.

List of respective delivery slip(s)

Date	Delivery Slip Number	Quantity	R-Material Content
01.10.2020	010101010	7,5 m ³	kg or %
...

Yours Sincerely,

NAME

CSC Template Evidence for the recognition of the R-Module | 07.05.2021

Background Information:

The DGNB has recognized the CSC R-Modul in the DGNB criterion "Responsible resource extraction" in quality level 2.2 (use of certified secondary raw materials).

Evidence:

The delivery slip or the invoice of the concrete supplier is accepted as evidence. The delivery document (delivery slip/invoice) must contain at least the following information:

- Delivery slip number(s)
- CSC-R Certification Number,
- Name of the construction project to be certified,
- Recycled Content

In case the required information is not on the delivery document use the template above and confirm it with your signature to fulfill the requirement.
